## INTGRAD OG KVOTE; faglig søknadsbehandling i FS

Modul: Opptak

Bilder -> Søknad samlebilde

På listen som er sendt ut står alle søknadene som skal behandles. Søk opp en og en søknad i Søknad samlebilde og behandle den på følgende måte:

1. Søk opp den aktuelle søknaden ved å taste inn fødsels- og personnummeret i Fnr-feltet og skriv inn hvilket opptak det gjelder (INTGRAD/KVOTE, 2014, HØST) i opptaks-feltet, trykk enter:

2. I fanen «SøkAlt» ser du søknadsalternativene vedkommende har søkt opptak til:

Opptakstidspunkt	Studnr	Navn	Christina	1/1 M. følger	Grunnlag
01/11/1995	01487	Elmor	Christina	1/1 M. følger	UTL

01/11/1995	01487	Elmor	Christina	1/1 M. følger	UTL

3. I fanen «Dok» ser du dokumentasjonen søkeren har lastet opp. Denne dokumentasjonen skal vurderes for om den dekker de aktuelle opptakskravene. Trykk på «vis» for å se dokumentene. Merk at det kan være flere dokumenter enn de du ser i bildet; bla derfor nedover for å se om det er flere.

4. I fanen «Profil» skal det registreres om søkeren dekker/ikke dekker de faglige opptakskravene. Dette gjøres ved å svare ja eller nei på kralelementene som ligger under denne fanen. Dette gjøres ved å sette en J eller en N i ruten «bestått». Trykk enter etter at kralelementene er besvart for å lagre. Du får opp tre-fire ulike kralelementer, hvor alle disse listes opp to ganger hvis søkeren har registrert to studieprogrammer. Tallene bak bokstavene i kralelementet indikerer hvilket studieprogram de tilhører. Hvis en søker skal få tilbud, må alle kralelementene være besvart med J. Hvis søkeren ikke får tilbud om opptak, skal et av kralelementene besvares med N. Kralelementet som er besvart med N blir avslagsgrunnen til søkeren, og det er derfor viktig å velge hvilket krav som besvares med N ut fra hvilken grunn som veier tyngst (rangeringsliste over kralelementene finner du nederst i dette

dokumentet). Avslutt med å trykke fullfør:

5. Registrere tilbud/avslag.

Tilbud/avslag settes i fanen «SøkAlt» i ruten(e) «Tilbud status» (scroll bortover til du finner denne ruten). Tilbud merkes med «I» og avslag merkes med «AVS». OBS: ikke sett J i rutene «Publ.»; tilbud/avslag skal ikke publiseres! Avslutt med «Fullfør».

1. pri og 2. pri behandles samtidig, og fakultetene/instituttene gir tilbud til de søkerne de vil ha, uavhengig av prioritet. Når SA for søknadene «tilbake» blir alle tilbudene gjennomgått, og de søkerne som har fått tilbud på 1. og 2. pri, blir endret slik at tilbudet på 2. pri bortfaller. SA gir deretter beskjed til de fakultetene som har fått tilbud fjernet, og beskjed om at de kan gi nye tilbud hvis de ønsker det (basert på rangeringslistene sine).

### Kravelement; betydning og rangering:

### Problemer med å åpne dokumentene i FS

Hvis du ikke får til å åpne dokumentene som ligger i dok-fanen, kan du forsøke å laste ned dokumentene til din PC og åpne dem derfra ved å velge program. Dette gjør du på følgende måte:

1. Høyreklikk mens musepekeren er i søknadsbildet.
2. velg «lagre dokumenter» (FS216.001).
3. Velg hvor du vil lagre dokumentene i punkt «2: Angi mappe for lagring».
4. Kjør rapporten
5. åpne mappen der du lagret den på din PC. Dobbelklikk på dokumentet du prøver å åpne og velg program, prøv gjerne Adobe først, deretter Word hvis det ikke virket. Virket det ikke å åpne filene i noen av disse programmene, prøver du andre programmer.

## **Documentation of financing**

The University of Bergen is a publicly funded state university, and therefore has no tuition fees. However, self-financing applicants must prove that they have financial means to cover living expenses during their stay in Norway. This currently amounts to **NOK 94.400 for the academic year 2014/2015 (10 months)**.

Applicants who are not EU/EEA citizens must enclose proof of sufficient financing NOK 94 400 (approx. 12 000 EUR) together with their application to the University of Bergen.

**Applicants who cannot submit such documentation will not be considered for admission, regardless of academic qualifications.**

## **Valid forms of documentation**

- Financing provided by applicant: Enclose a recent bank statement in your name showing possession of the required amount (NOK 94.400).
- Financing provided by sponsor: Sponsor guarantee letter and sponsor's recent official bank statement/transcript.

## **Residence permit and financing**

- Once admitted, the student/sponsor must transfer money into the student deposit account established by the Student Welfare Organisation (SiB). The SiB Student deposit account is set up to assist prospective students in documenting that they have the financial means to cover living expenses in Norway.
- After the student/sponsor has successfully transferred the required amount (NOK 94.400) into the SiB Student deposit account, the student will receive a written confirmation **that must be enclosed with the application for residence permit**. Please note that as soon as you have opened a Norwegian bank account, the money will be transferred to your account.

Please visit the website of the Norwegian Directorate of Immigration (UDI) for more information regarding the requirements for the residence permit.
